

Our History

Ashden Accountants was established in 1993 and is now run with a highly experienced team providing a friendly, value-for-money accountancy and taxation service.

We have offices in **Letchworth, Hertfordshire, Cambridge City and Braintree, Essex**. We also cover many clients across the UK including London, Europe and around the world.

Our Services

Our specialism is in dealing with all accountancy and taxation matters for businesses of all sizes, whether a sole trader, partnership or limited company. We are Management Consultants & Business Growth Experts. We provide a full range of accountancy and taxation services including:

- ❑ Statutory accounts preparation
- ❑ Self assessment tax returns
- ❑ Corporation tax returns
- ❑ Auditing of Limited Companies
- ❑ Bookkeeping, vat return and payroll services performed both internally and externally
- ❑ Tax planning advice
- ❑ Forecast cash flow preparation
- ❑ Management accounts preparation
- ❑ Advice on business development and growth

“Part Of Your Team”

Ashden Accountants is a small, friendly practice that prides itself on dealing with clients in an efficient, professional and courteous manner.

As a business itself, it is ideally placed to understand the problems and pitfalls encountered by small, medium and large businesses and the personal tax affairs of business owners and as such can give pertinent and timely advice.
